

CETA HEALTH TRAINING PRESENTS

# FIRST AID TRAINING

CETA Health Training offers accredited and non accredited courses for people at work, parents and anyone who wants to learn the simple skills needed to help in a first aid emergency.

The course can be delivered at your premises which reduce your costs in respect of additional time out and travelling.

See overleaf for the list of different courses we deliver and for more information please view the CETA Website or contact us directly using the details below.

## Accredited courses

### Emergency First Aid at Work Level 3 Award (Level 6 Scotland)

This one day course is the minimum requirement in a workplace where a first aider is needed. This course is ideal for people working in low-hazard environments, such as a shop or office. It is for organisations whose first aid needs assessment has identified the need for somebody trained in emergency first aid.

### First Aid at Work Level 3 (Level 6 Scotland)

This three day course is for people who need to give first aid to someone who is injured or becomes ill while at work enabling them to deal with an emergency situation in a safe and effective way with confidence. This course will give the participants a qualification to the highest level of First Aid, meeting the statutory requirements of the Health and Safety (First Aid) Regulations 1981.

### First Aid at Work Re-qualification Level 3 (Level 6 Scotland)

This course is for anyone who wants to requalify and update the skills they previously learned on a first aid at work course, in order to renew their certificate and continue to act as a workplace first aider.

### Paediatric Emergency First Aid Level 3 (Level 6 Scotland)

This one day course is for newly qualified level two and three childcare staff who are beginning a career in an Early Years setting.

### Paediatric First Aid Level 3 (Level 6 Scotland)

This two day course is for people who look after babies and children in any setting, including nannies, childminders, nursery workers and au pairs. It is recommended for the Early Years Foundation Stage (EYFS) and meets the requirements for childcare registration.

### Activity First Aid Level 3 Award (Level 6 Scotland)

This two day course is for members and leaders of activity and youth groups e.g. Scouts, Guides etc.

### First Aid Risk Assessment Level 2 Award (Level 5 Scotland)

This one day course is for people who are responsible for risk assessment within the work place.

### Immediate Management of Anaphylaxis Level 3 Award (Level 6 Scotland)

This one day course is for all First Aiders and healthcare professionals, as well as those in a high risk environment where such medication is available.

### Oxygen Therapy Administration Level 3 Award (Level 6 Scotland)

This one day course is for people who have oxygen in their workplace for first aid purposes. (Please note that you must have an existing first aid certificate and provide an oxygen cylinder for this course).

### BLS and Safe Use of an AED Level 2 Awards (Level 5 Scotland)

This four hour course will enable anyone to use an AED competently and with confidence. Not only does this course deal with the use of an AED, but it also includes vital training in basic life support including resuscitation.

## Non accredited courses

### First Aid Annual Refresher

This half day course for people already holding a current First aid at work or Emergency first aid at work certificate but would like a refresher.

### Emergency Response Course

This three hour course is ideal for those looking to gain basic first aid knowledge and skills.

### Emergency First Aid for Motorcyclists (EFAM)

This two hour course is aimed at motorcyclists so they can give lifesaving medical treatment to a fallen biker.

### Emergency Response - Sports Injuries

This three hour course is suitable for sports coaches, schools, scouts, brownies etc.

### Appointed Person

This two hour course is for workplaces that do not require a first aider but want an appointed person to have simple first aid skills.

### Basic Life Support

This three hour course is ideal for those looking to gain basic first aid knowledge and skills.
